Dear Kinship Caregiver Support Act advocates,

Thanks again for your help on behalf of children and relative caregivers. We've received a few questions about press materials for local newspapers. Please find attached a **draft press template** which you should feel free to modify and tailor. If you have questions, please contact Gina Russo at mediaiq@comcast.net (202) 421-3578.

Also, we would like to **congratulate and thank James Hermann** in Idaho for his outstanding opinion piece that ran in the Bonner County Daily Bee newspaper Sunday (www.bonnercountydailybee.com/articles/2008/04/20/columns/columns01.txt). Inspiring!

Thanks again to each of you for your help in these efforts.

Best regards,
 Marci McCoy-Roth
